# SCRAP METALS

## OFFERING INNOVATIVE SOLUTIONS.

Industrial Scrap Metals, LLC (an affiliated company of GIS, LLC) is a full service scrap metal recycling company. We specialize in servicing the scrap needs of the marine transportation, industrial, and energy industries along the southern coast. Using our extensive experience and resources, we offer reliable, innovative solutions to meet any project's needs.

We primarily purchase ferrous metals, such as turnings, plate and structural (P&S), heavy metal sheet (HMS) and white goods. We purchase non-ferrous metals (aluminum, brass, copper, stainless steel, etc.) on a case-by-case basis.

## SAFETY

**LIFE** is the proactive, operational, and behavior-based component of GIS's comprehensive safety management program. While our Corporate HSE group focuses on compliance, training, and incident response, the LIFE processes specifically cover Operational Safety, through: comprehensive work planning; increasing awareness of work area & task risks; intervention techniques for redirecting at-risk behaviors; embedded field presence; quarterly initiatives focused on observed areas of risk; and visible leadership engagement all while encompassing the Human Performance Improvement Principles.

## PEOPLE

GIS employees are at the heart of our business. We are committed to developing and sustaining long-standing relationships with both our internal and external clients. Each employee is committed to excellence and continuous improvement. We understand the personal component of our business and are built upon core values that drive a partnership-minded approach to providing valued solutions to our clients while understanding our clients' operations, goals, and bottom line drivers. Our people believe greater value is created by aligning our goals with those of our clients and striving for innovation and excellence with every opportunity.
